

## News Release

For release 4th August 2009

# Tetra Pak Processing Trophy for North Downs Dairy Company

North Downs Dairy Company took the trophy for best extra mature cheddar cheese, sponsored by Tetra Pak Processing UK, at his year's International Cheese Awards in Nantwich.

Alan Stack (right) presents the trophy to Michael Brown, Sales Director for North Downs Dairy Company.

Wincanton-based North Downs Dairy Company entered a Murray Goulburn single extra mature cheddar which defeated class winners from The First Milk Cheese Company, Haverfordwest and Fayrefield Foods to take the section trophy.

Continued...

The single extra mature cheddar classes are among the most fiercely contested at the event, which attracted a total of 2761 competitors from 24 countries.

Alan Stack of Tetra Pak Processing UK said:

“We were delighted to see so many entries in this section once again. There were many excellent mature cheddars in each class and well known producers amongst the class finalists, so congratulations to North Downs Dairy Company in this hard fought contest.”
